## From the Directors

Immy and I are so delighted to welcome you into our audience for our show, 'Legally Blonde - The Musical'. As co-directors and co-choreographers, we have poured our hearts, souls and every ounce of energy and passion we have had into this show for the last six months and we are so, so proud of our efforts. If this show doesn't bring a smile to your face, nothing will!

If you are unfamiliar with the show, it would be easy to mistake 'Legally Blonde' for a frivolous story about a girl obsessed with pink. However, this show is full of heart. The plot centres itself around strong female friendships and an unshakeable belief in one's self that it is possible to achieve anything with hard work and determination.

As female co-directors and friends, we have drawn upon Elle's wisdom and strength of character during our journey, overcoming numerous challenges with huge scene changes, props galore and tricky, lengthy choreography. Undoubtedly, despite our individual, previous directing successes, this has been our most challenging show to date. There have been times when it has felt overwhelming, particularly when choreographing 'What you Want' and 'Legally Blonde Remix', but our unwavering belief in one another has kept us going. Luckily, combining our talents has made the show all the more enjoyable to create and has enabled us both to grow new skills that have only made us better directors.

Our whole-hearted thanks goes to our wonderful cast and crew, who know a thing or two about determination and hard work. It's been a privilege! We've also been lucky with this show that we've been able to welcome a number of new members into our Barnstormers' family (some even with four paws) and wow, have we loved having them!

We hope you love the fun, outrageously pink, yet unstoppable force that is Elle Woods. May we all strive to reach our dreams like her, and challenge anyone that stands in our way. Lastly, I would like to personally dedicate this show to my daughter Esmé. May you always be as brave and determined as Elle Woods.

Enjoy!

Amber and Imogen

## From the Musical Director

Welcome to our production of Legally Blonde, brought to life by the incredible talent of the Barnstormers cast and band. From auditions to final rehearsals, each member has dedicated countless hours to perfecting their role in the production, be it on or off stage, and the result is a high-energy show full of vibrancy and emotion.

Our cast has embraced the iconic characters with enthusiasm, infusing them with their own unique flair and charm. Meanwhile, our exceptionally talented band has worked tirelessly to master Laurence O'Keefe's dynamic score with prowess and precision, complete with its more than 200 key changes. I am extremely grateful to them all for their dedication and hard work.

Together, the end result embraces the essence of Legally Blonde - a production that is both great fun and high energy entertainment. I am immensely proud of their hard work, creativity, and dedication. As you join us at the end of our exhilarating journey, I invite you to immerse yourself in the magic of Legally Blonde and celebrate the extraordinary energy and enthusiasm of our Barnstormers family.

Russell Taylor

## From the Assistant Choreographer

I was so incredibly excited to make my choreography debut in Legally Blonde. I knew the challenge was going to be tough, but having a vision for the show and watching the cast make it come alive has been amazing.

The cast have been incredible to work with. They take the moves we give them and elevate them to a whole new level. It's so important that in a dance the characters show their personalities through it, and I think we have captured that just perfectly. From fun, flirty and fabulous dancing, skipping to Irish dancing, this production most definitely shows how much hard work has been put into it.

I have loved working alongside Imogen and Amber choreographing the numbers in this show, but the two that stick out the most are definitely 'Bend and Snap' and 'Whipped into Shape'.

So, to all of you, our audience, I hope you enjoy the show as much as we have putting it on for you all. Remember, as Elle Woods once said: "You must always have faith in people. And, most importantly, you must always have faith in yourself."

Lucy Cadman

## Synopsis

"Legally Blonde: The Musical" follows the vibrant journey of Elle Woods, a fashionable and determined sorority queen, as she transforms from a Malibu Barbie into a formidable law student at Harvard. When Elle's boyfriend dumps her for someone more 'serious,' she enrolls at Harvard Law School to win him back. Along the way, Elle discovers her true potential, challenges stereotypes, and becomes an unexpected legal force. Packed with humour, catchy tunes, and empowering messages, this energetic musical celebrates self-discovery, friendship, and the strength that comes from being true to oneself. Get ready for a pink-tinted, empowering ride through the halls of academia and the courtroom.

## Bucket Collection

At the end of each performance we have a bucket collection, in aid of a named charity.

During our last panto Cinderella, we nominated The Trussell Trust, and raised £304.62.

Last year we also held a two night dinner with a show, where the proceeds of £805.87 were split between our chosen charities the Martlets Hospice, Cancer Research UK, and the development fund of Patcham Methodist Church.

Thank you to everyone who donated.

Our collections following Legally Blonde will be for Macmillan Cancer Support in memory of Mandy Green, colleague and friend of our director Imogen Fox.

Macmillan Cancer Support is one of the largest British charities and provides specialist health care, information and financial support to people affected by cancer.
